

Torquay Community House Enriching Young Men's Lives

Torquay Community House would not exist without their wonderful team of volunteers. It is really clear that as an organisation they really value the contribution volunteers make and Jeremy is one such volunteer success story.

“Jeremy is our IT Hero and he has a great story to tell. He was really searching for something to do and be interested in and he now offers free IT support to the community.”

“With a little encouragement Jeremy posted his service on Facebook. He started chatting and before long was sharing his skills helping people solve their IT issues.”

“Jeremy is thriving at the House and is happier and healthier as a result of being engaged and having a real sense of purpose.”

“Jeremy has received a few lovely tokens of appreciation from some very grateful customers and this has given him a real boost.”

Quotes by Laura Connor, Coordinator

As a young man in his mid-20's Jeremy was searching for an interest and the community house was the perfect place for him to find his purpose, share his skills and make a whole new bunch of friends (Jeremy is pictured below)
